c. Ames, Key, Chamber of Commerce Parking Access Control -
On 18 May 1984, representatives of Charles E. Smith (CES) Management Company and RECD met to discuss the leasing of the parking garage at 1200 Wilson Boulevard (Key Building). Based on a market survey conducted by CES, a price of \$78.00 per parking space per month was quoted as the going rate in the Rosslyn, Virginia area. However, this figure did not correspond with RECD's independent market survey of \$70.00.

Currently both parties are looking at the lease terms and conditions. RECD is awaiting a decision from the Agency's senior management whether to proceed with this \$70.00 price.
